

Eaton 3S UPS

550 – 700 VA

Ideal for protecting:

- computers and peripherals
- Broadband modems (internet and TV)
- IP telephony equipment
- POS equipment

Power protection for office and home computer equipment

Protection against power problems

- The Eaton 3S UPS helps to protect your computer equipment in case of everyday events such as lightning strikes, storms, over-demand on the utility grid, accidents, and natural disasters knocking out power without warning.
- In the event of a total blackout, the unit provides sufficient battery backup time to last through most power outages.
- The 3S also protects telephone, broadband and Ethernet line from “back door” power surges.
- The shutdown software makes it possible to automatically save your work and shut down your application without losing any data. Once the power is restored, you can continue working exactly where you left off.

Easy integration and installation

- Attractive design and glossy finish make the 3S a perfect fit for the modern office environment.
- The 3S comes with either 6 Schuko (DIN) or 6 French (FR) outlets for easy connection of typical computer configurations with peripherals (IEC model also available with 8 outlets).
- The 3S features a HID-compliant USB port (cable supplied), for automatic integration with common operating systems (Windows/Mac OS/Linux).
- Compact unit fits on or under your desk or can be mounted on a wall.
- Easy-to-replace battery helps to extend UPS service life.

EATON

Powering Business Worldwide

Eaton 3S UPS

- 1 3 Schuko or FR outlets with surge protection
- 2 3 Schuko or FR outlets with battery backup and surge protection
- 3 On / Off button + LED interface
- 4 USB port
- 5 Dateline protection
- 6 Replaceable battery
- 7 Reset button (circuit breaker)
- 8 Wall-mounting system

Eaton 3S 700 DIN

Eaton 3S 700 IEC

- 1 4 IEC outlets with surge protection
- 2 4 IEC outlets with battery backup and surge protection
- 3 On / Off button + LED interface
- 4 USB port
- 5 Dateline protection
- 6 Replaceable battery
- 7 Reset button (circuit breaker)
- 8 Wall-mounting system
